

University of Salento has launched a new 2021/2022 scholarship programme entitled **UniSalento4Talents**.

The call is aimed at international students interested in coming to study in Italy at the University of Salento. The deadline for application is the **25th of June 2021**.

With the Unisalento4Talents Call 2021, **25 scholarships** will be awarded to international students who intend to enrol on the following Master's degree courses taught in English:

- Coastal and Marine Biology and Ecology;
- Communication Engineering and Electronic Technologies;
- Computer Engineering;
- Management Engineering;
- Materials Engineering and Nanotechnology;
- Aerospace Engineering.

Selected students will be entitled to the following **benefits**:

- **Exemption from university fees and charges;**
- **Free single room accommodation** from the beginning of the first semester of the academic year 2021/2022;
- **Free Italian language course** at the Centro Linguistico di Ateneo (University Language Centre);
- Assistance from the staff of the UniSalento Welcome Office in dealing with administrative procedures and with the integration of the student into university life.

For more information and to **apply**, students can visit our website: <https://international.unisalento.it/en/admission/scholarships-grants/unisalento4talents>

Please feel free to circulate our **UniSalento4Talents Call 2021** among your students and do not hesitate to contact us if you need any further information about this scholarship programme or the application process: welcome.office@unisalento.it.

We are looking forward to strengthening our future collaborations and to welcoming you soon in Lecce, Italy.

Kind regards,
Rosita D'Amora

rosita.damora@unisalento.it

Pro-vice Chancellor for Internationalization of the University of Salento
