

## Welcome greeting for the Ambassador by Circolo Italiano of Lusaka

On 26 April 2012 the Circolo Italiano of Lusaka hosted a reception to welcome the Ambassador of Italy to Zambia. The President of the Circolo Mr. Mauro Sanna presented the Ambassador to around 120 guests. The evening, enlivened by wine and specialities prepared by the Italian restaurant "Il Portico", offered the occasion for an informal encounter with club members, often Italian nationals living in Zambia for a long time, but also with businessmen temporarily present in the country, volunteers, clergy and missionaries.

The Ambassador and the President of the Circolo shared the hope for a constructive cooperation in organizing of a greater number of events and boost the role of the Circolo Italiano as a focal point and gathering for social, cultural and recreational activities of the Italian community. The Circolo Italiano, founded in 1963, includes 80 members of which half are Italians.
