

## **Award to Dr. Gaudenzio Rossi – on behalf of the President of the Republic of Italy – The Title of “Ufficiale dell’Ordine al Merito della Repubblica Italiana”**

Doctor Rossi distinguished himself through his great entrepreneurial skills in the hospitality sector. Thanks to his abilities, he is often called upon to also execute tasks in the tourism sector. He covers positions of great responsibility in numerous associations, bodies and committees. For many years he has been contributing to the development of the Italian School as well as its administration and running. In the last few years he has been very active in social assistance activities, promoting initiatives and heading various social welfare institutions.

He enjoys the highest esteem amongst the Italian community, the local authorities and – following his appointment as Honorary Consul of Hungary - amongst the diplomatic community too.
