

## 8 June 2013: Food and Beverage International Fair

The traditional event organized by the Diplomatic Spouse Association was held on Saturday 8th June at the Southern Sun Hotel in Lusaka.

At the event, the proceeds of which are donated to charity, the Italian Embassy also participated by offering Italian specialties which were met by the usual enthusiasm of the participants of all nationalities. In the section dedicated to the commercial activities, remarkable success was achieved by the stand of the new Italian ice cream parlour “Gigibonta”, the NGO of Pope John XXIII, and “Sapori”, who offered various types of fresh pasta.

Special thanks go to Enza Rizzo for her tireless and enthusiastic collaboration, to the staff of the Italian Embassy and their families, to Prof. Grisostomi who provided wines and shoes, from shoe companies from the “Marche” Region: Nero di Sole, Lorenzi e Petrocchi.

Thanks to everyone’s commitment, also this year the Italian stand made a sum far greater than that collected by any other stand.
