

XIII Week of the Italian Language in the World

After the success of the 2012 edition, the Italian Embassy has organised again this year in collaboration with the Circolo Italiano of Lusaka a series of cultural events, gastronomic and social on the occasion of the XIII Week of Italian Language in the World.

The program included film screenings followed by wine tasting and typical Italian dishes, two concerts of Italian musicians and an evening of dancing. All the events have realised strong appreciation from Italian nationals and non: in particular, the binomial of culture- food, was a winning combination of Italian excellence.

In addition to thanking the Circolo Italiano of Lusaka for hosting these events and Portico Restaurant for the support, we thank Garden Hotel Group, Peroni, Michel Design Studio, EML and EIS, Terrastone Ltd, DO&TO imports and exports.
