I am aware of and consent to the following: the collection of the data required by this application form and the taking of my photograph and, if applicable, the taking of fingerprints, are mandatory for the examination of the application; and any personal data concerning me which appear on the application form, as well as my fingerprints and my photograph will be supplied to the relevant authorities of the Member States and processed by those authorities, for the purposes of a decision on my application.

Such data as well as data concerning the decision taken on my application or a decision whether to annul, revoke or extend a visa issued will be entered into and stored in the Visa Information System (VIS) for a maximum period of five years, during which it will be accessible to the visa authorities and the authorities competent for carrying out checks on visas at external borders and within the Member States, immigration and asylum authorities in the Member States for the purposes of verifying whether the conditions for the legal entry into, stay and residence on the territory of the Member States are fulfilled, of identifying persons who do not or who no longer fulfil these conditions, of examining an asylum application and of determining responsibility for such examination. The prerequisites for entry will be checked again on entry into the European territory of the Member States.

**3. Personal data**

The Visa Office processes the personal data included in the visa application form, in the Visa Information System (VIS) and in the national visa archive.

**4. Processing purposes**

The requested personal data is needed to assess the entry visa application for Italy or the Schengen Area lodged by a non-EU Member State citizen subject to the visa obligation.

**5. Legal framework**

The legal framework applicable to the processing of personal data is the following:

- Regulation (EC) No 767/2008 of the European Parliament and of the Council of 9 July 2008 concerning the Visa Information System (VIS) and the exchange of data between Member States on short-stay visas (VIS Regulation);

Furthermore, the data subject may request the deletion of his personal data from the VIS if he acquires the citizenship of a EU Member State within five years since the visa issuance or refusal or if the competent administrative or jurisdictional decides for the definitive annulment of the visa refusal.

In these cases, the data subject shall submit a specific request to the *Embassy of Italy/Consulate of Italy...*, and notify the MFAIC DPO.
